December 31, 2021

Dear Archdiocese of Baltimore Catholic School Parents and Guardians,

The Archdiocese Department of Catholic Schools, working with the leadership of each of our schools, is monitoring daily the health of our school communities due to the surge of Omicron cases.

The health and safety of our families, faculty and staff is of the utmost importance. As a result, it may be necessary to move class cohorts and potentially a school to virtual learning for a period of time due to positive cases and/or quarantining amongst the school's faculty and staff.

Our school principals will be in close communication with their families and students as to the status of their school and plans for the opening of school on Monday, January 3rd.

Thank you for your support and understanding as we navigate through the challenges posed by the Omicron surge across Maryland.

Our thoughts and prayers are with you and your family for a safe and healthy 2022.

Yours in Christ,

Mr. James Sellinger
Chancellor of Education

Dr. Donna Hargens
Superintendent
