December 3, 2024

To come home:

- Fill the Square Flyer
- Reindeer Games flyer for middle school and cheerleaders
- Missing Chick –fil-A order forms for the limo lunch - need to be in tomorrow

FILL THE SQUARE EVENT

Every year our students help, kick-off this event by donating a new, unwrapped toy for a child in need. Please bring in a donation anytime between now and December 11th and place it under the Christmas tree in our lobby.

Any student who brings in a toy gets a special little treat from one of our elves.

Thank you in advance for helping us make this a special event for all involved!

SANTA'S WORKSHOP

It is almost time for Santa's Workshop! On Thursday, December 19th, the students will attend a fun and festive Santa's Workshop where they will be able to shop for Christmas gifts for their families.

Each ticket costs \$1 and gift items for family members will be on sale during your child's designated shopping time. The students will use these tickets to shop with the help of teachers and Virtus trained volunteers.

Please keep in mind that most items range from \$2-\$5, and you can purchase tickets using the link below. The limit for each student is \$25.00.

We are also in need of donations for gift items and volunteers to help with the event. This is a fun event for the students who love picking out a little something special for their loved ones.
