## Basketball updates from Coach Chuck

### **BASKETBALL UPDATE – Week 8**

Well, week 8 wasn't kind to our Anchor Blue but we sure had much to be excited about. As told to me by Coach Bailey, 5/6th grade boys, "The team got scoring from 6 different players (an achievement in itself) and put up a **season high 20 points** but it wasn't enough to take down **1st place, 7th grade, St. Joe Cockeyville**. Jack Bailey and Kobe Barrett led the scoring with 5 points each, Michael McMenamin hit for 4 and Ryland Ramtahal, Adrian Hardy and Camryn Stoner each had a bucket". 4/5th grade girls (missing two of their best low post players, Emma and Emmy) couldn't find a way to stop St. Ursula's best offensive weapon but still managed to tally 7 pts thanks to a **NCAA ``3"** by Paige Purtell and a bucket each by point guard Andi Giannopoulos and post player Malajza Boone. Another exciting game this weekend was the 7th grade matching baskets and battling #1 undefeated Mother Seton for 28 minutes but coming up a little short. Team defense was on display, keeping this one close all the way. This nail-biter was led by our very own Aedan "Unsold" Joyce who dominated on both ends of the court. Yes Mr. Naismith, football players can play basketball too! Aedan led all scorers with 12 points and Nick Purtell added a bucket while running point and Hudson Dach picked up his first score of the season with his own version of the Jabbar "sky hook". 4th grade boys lost a tough one to a very good St. Joe Cockeyville team. Grayson Ho led our Anchors with 2 points. Playing hard both halves, just wasn't enough to stop the SJC scoring machine. BTW, 4th grade boys are **the winningest team** in our program! Our 6th grade girl's team had a BYE this weekend and they're resting up for a big finish.

### **BASKETBALL UPDATE – Week 9**

It was a great weekend for Anchor Basketball this weekend, winning 3 of 5 games. To date, our program has won 10 games against only 2 last year. The 4th grade boys continued their winning ways (now over .500 with 4 wins), beating a very feisty St. Joseph Cockeyville team, 15-9. SJC just wouldn't go away but accurate passing, tough defense, holding SJC to 2 points in the 2nd half, and scoring by Jack McCartney (11), Jackson Graham (2) and Will Szczepaniak (2) added another "W" to the win column. **One more win in the next two games assures the team a winning season.** My 4th/5th grade girls notched another VICTORY, beating Sacred Heart 13-10 for our 3rd WIN of the season. Leading from the start of the game with a MONSTER tap by Emmy Horris, to Paige Purtell for a layup and an early 2 point lead ( a coach's dream), the team never looked back. Stifling defense, producing numerous steals, improved passing and high octane offense brought this one home. Paige Purtell (6 pts) and Andi Giannopoulos (7 pts) shouldered the offensive output, as we led all the way. In an exciting OVERTIME win by our 6th grade girls, they beat Sister's Academy (2<sup>nd</sup> time this season) by a score of 10 – 8. This was a seesaw battle (much more fun to watch than SB 58) from the beginning, improved passing, tough defense and scoring by Zoey Reilly (6 pts), Paige Purtell (2 pts) and Alette Norgaard's first basket of the season (for real). YAY Alette! **NOTE: Paige Purtell also plays up on the 6th grade team and scored in both games Saturday including two wins for the day.** The 5th/6th grade boys team, while losing to the St. Ursula **7th grade team**, saw an improved offense and defense and only behind 15-10 at the half, but not quite able to close the gap by the final horn. This team is playing in one of the toughest leagues made up of mostly 7th graders but still maintaining a positive outlook,

never giving up and playing hard for both halves every game. Scoring was led by Jack Bailey with 2 (count 'em) "3's" for 6 pts, Ryland " I can hit from the arc too" Ramtahal with a "3" and a bucket for 5 pts and Jude DiMattina with a bucket in the post. The 7th grade boys ran into an offense buzzsaw as their opponent couldn't seem to miss. However, our offense was in play as they scored 25 pts in this losing effort led by "3's" by Quinn McCartney (9 pts) and Nick Purtell (8 pts), while Aedan Joyce (4 pts), Miller Piechert (2 pts) and Logan Cos (2 pts) contributed to the total.
