May Crowning - middle school

Your child is invited to participate in a long-held tradition at our Church! Part of this tradition is for **middle school students and/or Confirmation Candidates** to write an essay about Mary & be part of the Mary court. This year, the students have options for how they present their personal connection to Mary.

The Project: Show us Mary's impact on your life. Demonstrate **your unique & personal connection** to Mary by creating an essay, poem, or visual art piece. 2 winners will be chosen to crown Mary as a part of our parish's celebration of Mary. All projects will be posted in the back of the Church during the month of May. Winning projects will also be posted in the bulletin the weekend of 5/4. Not only will these projects bless each participant as they engage in a special time of reflection, but they will also bless all of us at St. Casimir who see them.

Mary Court: 6 additional youth are chosen as part of this court. They get to process into Mass holding a special statue of Mary and helping carry the items used to crown Mary.

If your child is interested in writing an essay and/or participating in the Mary Court, please use this link (<https://forms.office.com/r/gTyVjANMPH>) to sign-up. All projects need to be submitted to Rachel Okun (Director or Religious Education) via email – rachel.okun@archbalt.org, dropped off at the parish office, or given to your child's religion teacher at St. Casimir School.

AI Hahn Tournament update

Our Anchors are still battling very tough competition in the tournament. But we do have some bright spots to report.

7th grade girls scoring over the weekend on Saturday saw Mia Doucet score 9 points including a 3 pointer, Zoey Reilly and Micayla Williams added a basket each and Korynn Holmes hit a free throw. On Sunday, Micayla Williams scored 4 points and Emilia Smith added 3.

7th grade boys fought hard for 32 minutes but still had some key moments to report...Jack Bailey hit for 5 points, Michael McMenamin grabbed 8 rebounds to go along with 5 blocked shots. Our 7th grade Anchors have one more shot to display their tournament talents.

8th grade boys lost a tough one to a pesky st. Stephen team 31-20. Scorers for the game were Quinn McCartney 10, Nick Purtell 6, Aedan Joyce 3 and Payne Burton 2. Our 8th grade team has one more Al Hahn Tournament game this evening at 8:15.
