To come home: Purse Bingo Flyers

Beans and Bread: Thank you to all the children and their families for making lunches for Beans and Bread. We had over 300 lunches to send.

Hurricane relief: We have been in touch with St. John Vianney School in Saint Petersburg. Their elementary school was destroyed. They hope to be able to have their students relocate to the high school which was not destroyed and other parish buildings. We sent \$630 from our dress down day directly to them.

They also asked our children to write encouraging notes to their students.

Conferences: Please sign in at the office for conferences. Conferences are scheduled for 15-minute slots.

World's Best Chocolate: If you want to pay for your boxes online, you may use the link below. You may also return the envelope with cash or a check.

Chocolate Sales Payment

If you have questions or want to request more boxes, please reach out to our parent coordinators: jacklyn.peery@gmail.com or jen.saraullo@gmail.com

Middle school dance

The middle school dance is scheduled for Nov. 1 from 5-7.

We rely on donations to make it a successful and enjoyable event for everyone. This is a great opportunity for profit. Once again, we are offering an opportunity to sponsor a purse. **Please note, Purses have been purchased by the committee and we are asking for monetary donations.**

We are also asking volunteers to put together or contribute to a basket for auction. Classes are encouraged to take up a collection to sponsor a class purse or basket. All donations of \$ and baskets (with receipts) are 100% profit towards 2023-2024 school year fundraising. Baskets and items for baskets must be brought to the front office by Thursday, October 17th.

This is also an opportunity to earn volunteer hours the evening of the Bingo. We will be updating this Sign up with volunteer slots and dessert donation on October 18.

Soccer:

This past weekend was a makeup weekend for just one team, here is the highlight:

In what was a weekend off for a majority of our teams, at least one used this opportunity to get a win!

Our girls U8 team went onto the field with both Layla Sebeck and Maggie Lindemann (first goals of the season) each putting in two goals to cruise to a cool 4:1 win!

Soccer resumes this coming weekend with seven teams playing at home, including our U10 Girls - Mr. Katsas team looks to continue their win streak to 6 wins from 6 games!

Trick or Treat Schedule- 30-minute slots.
