A look ahead for planning purposes:

No guns, weapons, blood, masks, or very scary costumes are permitted. Appropriate makeup is permitted. Children must be able to function in their costumes during the school day.

**Soccer:** In what was a very wet weekend at the halfway point of the season either with water, splashing up off the fields or raining down from the heavens, St. Casimir's athletes stepped out onto the fields and gave it their all!

**On Saturday, the U14 Boys - Cameron Sibiski came back from a two-goal deficit to take points from their opponent and come away with a 4:4 draw. On Sunday, the U10 girls continued their undefeated season against their strongest opponent yet and came away with a 6:3 win after going down by a goal early on but were spurred on to victory by an assist then five goals by Sophie Bartomioli.**

**While offense is easy to notice, defense is the unsung hero of many a game and that could not have been more true for many of our games this past weekend.**

Standout players of the weekend were:

Tyler Szczepaniak, U8, for resilience in goal despite a tough opponent  
Brady Powell, U8, for continued grit and determination on the field

Jude Kurtik, U10, for pressing play and an assist for a goal!  
Walter Lindemann, U10, for his continued defensive IQ in controlling the game.

Teagen McGiveny-Pearce, U10, for shutting down multiple attacks.  
Maverick Sebeck, U10, for helping his team to victory with 2 goals.

Lexi Sticka, U14, for her first goal of the season
