September 17, 2024

To come home:

- Pasta Picnic Flyer
- Home School Meeting Flyer
- Ukulele and drum flyer (Grades Pre- K 4- Grade 2)

School Mass- Friday at 8:15

MAP testing: Students in Grades 2-8 will be taking the MAP test on Wednesday, Thursday, and Tuesday 9/24 in Math, Reading and Language Arts. The test is given in September, February, and May. It gives teachers information about where each child is and what skills they have mastered , where support is needed, and growth throughout the year, Teachers will share these results at parent conferences in October.

Have your child eat breakfast, be on time and rested. Students cannot study for this test.

Back to School HSA Parent Happy Hour

Join new and old friends at this year's Back to School HSA Parent Happy Hour Event THIS FRIDAY from 5:00 PM-8:00 PM. The Greg Szczepaniak Real Estate Team of Cummings & Co. Realtors will provide some finger food & light snacks. There will be a cash bar for beverages. Adults only please.

RSVP using the link below! We look forward to seeing you there!

We look forward to seeing you there!

Basketball: Greetings! My name is Chuck Dorsey, my grandchildren attend SCS, Emma - 6th grade and Timmy - 4th grade. Many of you know that SCS has competed in the Archdiocese of Baltimore CYO Basketball

program the past two years. www.archbalt.org/archdiocesan-youth-sports/ Our program was very successful last year winning more games than our first year. SCS will be able to have as many teams as we want in the program, as long as each team has enough players (9+) and parents, family members, teachers, or other volunteers, to coach, (at least 2 but preferably 3). The season starts the first week in December and runs to the end of February, finishing up with post-season play. We will be using our gym for practice (one practice per week beginning in October). Thank You Fr. Dennis and Ms. Bernie!!! Teams would travel to a parish (same parish each week) in the Baltimore Metro to play games (Saturday or Sunday depending on the league). The games are officiated using mostly state certified high school officials and play according to NFHS rules. The age groups start at 4th grade (teams are formed by grade and not by age) and up thru 8th grade. It is possible for someone to "play up" at the next level or play on two teams.

If your child would like to participate in the SCS CYO basketball program, please complete the sign-up form in the office and RETURN TO Ms. KELLI IN THE OFFICE ASAP (even if you played last year) or you can email the sign-up form back to me directly. Last year we had some that decided at the last minute to get involved but it was too late. There is a maximum number of people per team.

Please direct all questions to me directly via my email below.

Soccer: From Steven Bartomioli: Here are the highlights from this past weekend:

St. Casimir walked off the field with 3 wins and 4 losses. Both U10 boys teams had their first wins of the season. The highlight of the weekend was the combination of Sophie and Adam Bartomioli who on Saturday contributed to both U10 boys wins as guest players. In the first Sophie had 2 goals at one end while Adam was phenomenal with diving saves and defensive play pushing to a 4:2 final win. In the second game the two combined to open the scoring with Adam, 2nd grade, assisting to his older sister, Sophie, 4th grade, to spur the team on to a 4:1 win.

Standout players of the weekend were:

- First time goal scorers: Layla Sebeck and Journey Myers, both U8 girls
- Allie Kim, U10, playing up as a 2nd grader
- Sophie Bartomioli, U10, 4 goals across 3 games, all wins
- Javier Seymour, U14, for his play on the field representing St. Casimir
