

# 2025

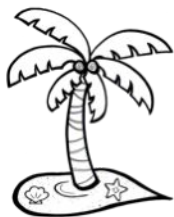

## Summer calendar

Parents,

Here is a summer calendar for your child to practice some of the skills they learned throughout the year. The activities should be quick and simple. I want your child to still enjoy their summer break, but still retain information learned this past year. Please use a notebook to log the different activities. Thanks for being involved and helping your child succeed!

Your First Grade Teachers

# JUNE

| Sunday                                          | Monday                                      | Tuesday                                  | Wednesday                                   | Thursday                                                  | Friday                                  | Saturday                               |
|-------------------------------------------------|---------------------------------------------|------------------------------------------|---------------------------------------------|-----------------------------------------------------------|-----------------------------------------|----------------------------------------|
|                                                 |                                             |                                          |                                             |                                                           |                                         |                                        |
|                                                 |                                             |                                          |                                             | LAST DAY OF SCHOOL                                        | Write your first, middle, and last name |                                        |
| read a story & write a sentence about it        | write the color words                       | write the number words                   | count by 10s to 100                         | do your doubles addition facts                            | play "war" to review biggest #'s        | clean up your room                     |
| find each coin and tell how much they are worth | write 3 sentences                           | practice tying your shoes 5 times        | say the ABC's and the sounds of each letter | Count to 100 by 1's, 2's, 5's, 10s                        | write 5 words that begin with <u>sh</u> | say the ending sound for bat, fun, car |
| practice tying your shoes                       | Make words with these sounds:<br>ch, sh, th | read a story & write a sentence about it | write all uppercase & lowercase letters     | say the sounds you hear in: hop, sat, flag big, shot, see | write 10 sight words                    |                                        |

# JULY

| Sunday | Monday                                   | Tuesday                                  | Wednesday                              | Thursday                        | Friday                                              | Saturday                              |
|--------|------------------------------------------|------------------------------------------|----------------------------------------|---------------------------------|-----------------------------------------------------|---------------------------------------|
|        | name all the vowels and say their sounds | write the numbers 1-50                   | What rhymes with?<br>top<br>bun<br>sit | write a story about your family | read the words from the sight word list             | help fold clothes                     |
|        | say your address, phone #, & birthday    | write a story about your school friends  | say the ABC's with the sounds          | count by 5's to 50              | what number comes after 7__14__23__                 | Go for a walk with your family        |
|        | count by 2's to 20                       | write a story about your summer          | play "war" to review biggest #'s       | Count to 100                    | what sounds are in these words:<br>glass, crab, mat | help sort socks                       |
| s      | read a book & write a sentence about it  | read words from the sight word list      | say all the days of the week           | practice tying your shoes       | count by 2's to 20                                  | help your family make lunch or dinner |
|        | write 5 number words & 5 color words     | say the beginning sound for pen, it, kid | count & write by 10s to 100            |                                 |                                                     |                                       |

# AUGUST

| Sunday                                 | Monday                                      | Tuesday                                                  | Wednesday                                              | Thursday                                                                 | Friday                                                            | Saturday                                          |
