

## Summer Reading and Math

Dear Incoming Kindergarteners & Parents,

Congratulations on completing PreSchool and WELCOME TO KINDERGARTEN! Your first job as a rising Kindergarten student is to complete some summer activities to keep skills sharp. So, here is your first Kindergarten assignment!

Reading- Please "read" 10 books over the summer. Look for books that rhyme, books with numbers or letters or just a delightful story full of fun characters and settings. The attached link will bring you to a list of books that you may like to consider but use your own discretion and choose books that you love, or books that you find interesting and fun.

Math-Please purchase a Kindergarten Readiness Math Workbook-books should address numbers, number writing, counting sets and early addition and/or subtraction skills. Books can be purchased at Lakeshore Learning, Barnes & Noble, Ollie's, Amazon, Target, etc. Again, I have provided a link to a book that you can use and some suggestions for others as well.

Have a great summer! Can't wait to see you at Cubby Conferences!

The Kindergarten Team

Reading- <u>Good Reads</u> lists appropriate titles for Kindergarten students. Ask your librarian for some "goodreads" or check out Epic.com

Math-these links will take you to an appropriate resource but feel free to find your own-

<u>PreSchool Math</u> <u>Prek Math Practice</u> <u>PreSchool Math Workbook</u>

Also on Amazon- School Zone, Transition Math Workbooks K-I- there are several choices and these include money and time which you do not need at this time. \$2.79-\$3.99

Other suggestions— Active Minds: 101 Things to Know About Math— Publications International, Ltd. ISBN: 478-1-4508-5044-0
